A Valuable Farm Paper

Among agricultural journals there is one that every farmer keeping cows should not neglect to subscribe for. We refer to Hoard's Dairyman. It is a journal that is broad in its scope, being unlike any other agricultural journal in the thorough and practical manner in which it deals with all farm problems that concern the farmer keeping cows. This journal has a lively interest and practical knowledge of all things about the farm which plainly shows that its editors are daily in the farm atmosphere and confronted with the same question to solve in the practical handling of a farm that are before every farmer handling cows. From reading the paper we learn it has its own dairy farm of 200 acres, that is stocked with a herd of good dairy cows, and the whole management of this is directly under the editorial supervision. This keeps the editors in touch with farm conditions so that they know the subjects that the farmer wants discussed and they know what they are talking about when they discuss them. In dozens of ways Hoard's Dairyman will appeal to one as coming closer to dairy farm business than any other journal we have seen. It gets right up close to you and talks good farm sense, about the soils and crops and how best to handle them; talks about the cows and their breeding and gives special attention to feeds and feeding. It does not have a prejudice for some one breed, but talks for the dairy cow wherever she is found; talks about the barn and its arrangement, and in fact gives a fund of good sound practical information on questions of interests to the farmer who keeps cows, few or many. Hoard's Dairyman tells you the things you want to know in a way that interests you. We notice it has no fashion plates, puzzles or cheap stories, it is all business. It is published at Port Atkinson, Wis., and has stood as the leading dairy authority of the country for many years.

Moving Picture Show

Francisco Besconini has received his moving picture machine and is now preparing Rossi's hall, El Verano for the entertainments it is his purpose to give. The machine is of the latest improved pattern of Edison's wonderful patent. Mr. Besconini expects to be ready for business by the first of next month. Three thousand feet of pictures and two illustrated songs will be given. Frequent changes will be made in pictures and songs.

A. E. Sondag, the Tailor

A. E. Sondag, the tailor, formerly of Sonoma, was in the valley this week taking orders for men's tailor-made suits. Mr. Sondag and family are temporarily located in Fruitvale, but the former expects to get permanent quarters for his tailoring establishment in the metropolis, in the near future. For many years he has enjoyed a liberal patronage from this valley and his work always gives satisfaction. Mr. Sondag will make regular weekly trips to the valley and solicits a share of the trade. Give him a trial order for a good suit and you'll be satisfied.

Engaged Rooms Ahead

Sheriff John K. Smith returned Wednesday from Seattle with a prisoner, W. F. Goodrich who is accused of selling automobiles and other movable property belonging to others. The prisoner who was not handcuffed and a stranger to the runners upon arriving at Santa Rosa was asked to stop at the various hotels in the City of Roses. He declined all invitations and stated that he was slated for Hotel de Smith on Third Street.

Passing of Another Pioneer

J. B. Lewis, the well known pioneer of California, who has been a resident of southern Sonoma since 1864, passed away at his home in Petaluma, Wednesday night, Jan. 6th. He had been in failing health for some time and his death was not unexpected. He had a valuable and interesting collection of historical relics and curios of all sorts and was well versed in the history of the pioneer days. He was born in Saratoga County, New York, and had he lived until next March, would have been 83 years old.

Don't Take a Risk

When you have a bad cough or cold do not let it drag along until it becomes chronic bronchitis, or develops into an attack of pneumonia, but give it the attention it deserves and get rid of it. Take Chamberlain's Cough Remedy and you are sure of prompt relief. From a small beginning the sale and use of this preparation has extended to all parts of the United States and to many foreign countries. Its many remarkable cures of coughs and colds have won for it this wide reputation and extensive use. Sold by L. S. Simmons.

The unusually high tides washed away the schooner road at Bolinas and the bay shore road near Willow Camp. The sand spit was almost submerged. Supervisor Pistolesi ordered his roadmaster to repair both roads immediately. It will be necessary to pile the road at Bolinas.

Supervisor Armstrong Pays

Supervisor George J. Armstrong handed to District Attorney Lee on Monday \$614 which sum that official deposited in the County Treasury.

\$347.75 being placed to the credit of Magnolia Road District and \$266.25 to the credit of Marin Road District. This amount represent the sum the Grand Jury said ought to be returned to the county as the result of the alleged "stuffing" of bills for material in those districts, which bills Mr. Armstrong swore were true and correct not knowing, he says, that they had been stuffed.

At the time he tendered his resignation as Supervisor, Mr. Armstrong said he would also reimburse the county, and on Monday he did so.

It is reported that Mr. Armstrong will resign the office of City Trustee of Sebastopol which he now holds and will retire altogether from public life.

It is generally believed that Attorney Lyman Green of Petaluma will be appointed by Gov. Gillett to fill the place on the board of Supervisors of this county made vacant by the resignation of Mr. Armstrong, who will retire on the first of next month. If merit, ability and integrity count for any thing, Mr. Green will certainly get the appointment as he is head and shoulders above any other man so far mentioned for the place. He would make an excellent Supervisor.

Want a Suspension Bridge

The citizens of Napa, Solano and near by counties will ask the present State Legislature to grant an appropriation to build a suspension bridge across Carquinez Straits from South Vallejo to the bluff at Vallejo Junction. The bridge when constructed will have passage ways for all kinds of traffic.

In Five Minutes.

Take your sour stomach—or maybe you call it Indigestion, Dyspepsia, Gastritis or Catarrh of Stomach; doesn't matter—take your stomach troubles right with you to your Pharmacist and ask him to open a 50-cent case of Pape's Diapensin and let you eat one 22 grain Triangular and see if within five minutes there is left any trace of

The correct name for your trouble is Food Fermentation—food souring; the Digestive organs become weak, there is lack of gastric juice; your food is only half digested, and you become affected with loss of appetite, pressure and fullness after eating, vomiting, nausea, heartburn, griping in bowels, tenderness in the pit of the stomach, bad taste in the mouth, constipation, pain in limbs, sleeplessness, belching of gas, biliousness, sick headache, nervousness, dizziness and many other similar symptoms.

If your appetite is fickle, and nothing tempts you, or you feel bloated after eating, or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of all this there is but one cause—fermentation of undigested food.

Prove to yourself, after your next meal, that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery.

Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapensin.

Driven insane by fury because his 17 year old son had unwillingly burned up \$1,000 in bills, Maim Lorenzo, a well-to-do rancher of Tomales, Marin County Wednesday made a murderous attack on the lad and before neighbors could interfere, the frenzied man had beaten the youth into insensibility and had attempted to end his own life.

A great many people have kidney and bladder trouble, mainly due to neglect of the occasional pains in back, slight rheumatic pains, urinary disorders, etc. Delay in such cases is dangerous. Take Dewitt's Kidney and Bladder Pills. They are for weak back, backache, rheumatic pain and all kidney and bladder trouble. Soothing and antiseptic. Regular size 50c. Sold by All Druggists.

Business Change

The deal has been consummated whereby the SONOMA VALLEY EXPOSITOR will change hands on Feb. 1, 1909. Mr. C. N. Newman of Schellville, a young printer and newspaperman of eleven years experience, is the purchaser and will be the editor and proprietor after that date. He states that he will continue to conduct the paper on its present liberal and independent policy and will work earnestly and unselfishly for the upbuilding of Sonoma and Sonoma Valley. Mr. Newman is a gentleman of energy, ability and integrity and will be a valued addition to the business interests of our favored section. He will undoubtedly continue to receive the hearty support that the people of this favored section have always extended the EXPOSITOR. He will continue to get out the best and most progressive paper in the valley and will keep up the good work of advertising the resources and attractions of good old Sonoma Valley.

Were Elected Monday

Wm. H. Taft of Ohio, and John S. Sherman of New York, were on Monday last, formally elected President and Vice-President of the United States, respectively, by the electoral colleges that met in the different State capitols January 11, 1909, and cast the official ballots for President and Vice President. The returns were immediately sent to Washington, D. C., where they will be opened in the presence of both houses of Congress on Monday, January 13, 1909, and Taft and Sherman will be officially proclaimed President and Vice President elect. They will be inaugurated on March 4th, next.

Want Justice Not Charity

MR. EDITOR:
An offer has been made us in regard to improving 5th Street West. If the EXPOSITOR will "quit hollerin'" (as the trustees are "getting tired of it") and give \$5, one of the trustees is willing to "give \$2.50 out of his own pocket" to help make the street passable, then perhaps the merchants of Sonoma will give some more, then the residents of the street should help load and spread the gravel. The offer is declined. The people there have never thought for a minute that what they were asking for, came under the head of charity, but just even-handed justice between man and man, or, between state and citizen; and every individual man on the Board of Trustees and the Board of Supervisors would have asked for the same long ago, had he been in the same position, and would have expected to get, and the chances are they would have acted sooner and louder. "What is sauce for the goose, is sauce for the gander."

A RESIDENT AND TAXPAYER

Clements-Marcy Nuptials

Mr. Will C. Clements, the able and popular manager of Eden Dale Farm below town, and Miss Mamie Marcy, daughter of Mr. and Mrs. J. G. Marcy of this city, were quietly married in San Francisco yesterday. After an extended honeymoon trip in the South, Mr. and Mrs. Clements will make their home in this valley. Their marriage in this valley and elsewhere is the earliest congratulatory wishes for a blissful future.

Passing of Aged Mother

Mrs. Prosina Quartaroli, a highly respected and aged resident of this city passed to her heavenly reward at the home of her son, L. Quartaroli on Spain Street last Saturday evening. Deceased had been ailing for some time, due to the infirmities of old age, but her sudden demise was a great shock to the loved ones gathered about her.

Mrs. Quartaroli was the mother of six children three girls and three boys all of whom survive. The three sons, Frank, Rafael, and City Trustee L. Quartaroli are well known citizens of this city.

The noble good mother came here from Sunny Italy about two years ago to spend her declining years with her sturdy sons.

The funeral took place Monday afternoon and was largely attended by friends and relatives who gathered to pay their last respects to one they had esteemed in life.

Lincoln Celebration

At a special meeting of the Board of Trustees Monday action on several matters were postponed on account of the absence of two members of the board. After the session the mass meeting was organized and a committee composed of Hon. R. A. Poppe and Principals Geo. C. Russell and Jesse Prestwood were appointed to prepare a suitable program and arrange for the celebration on February 12th the one hundredth anniversary of the birthday of Abraham Lincoln the greatest American that ever lived.

City of Sonoma Wins.

In Judge Denny's Court last Friday the opinion was handed down in which the demurrers of the City of Sonoma and Jas. B. Newman in the suit of L. Quartaroli et al was sustained.

T. J. MacQuiddy was the first contractor of the new City Hall and failed to carry out his contract. The bondsmen had to make good and did. They claim that in letting contractor J. B. Newman finish the city hall a certain quantity of stone and other material rightfully belonging to them was taken and used by the city and Contractor Newman in finishing the building. MacQuiddy having turned over everything to the bondsmen when he quit the work. The value of this material was over \$3,000 and it was this sum that L. Quartaroli and the other bondsmen brought suit. The Superior Court has held that the answer of the City and Contractor Newman denying the debt is sufficient, hence sustains the demurrer.

Death of Oliver B. Shaw

The community was saddened Wednesday morning upon learning of the death of another highly esteemed pioneer, Oliver Barrett Shaw. He passed away at his home east of this city at 5 o'clock A. M. Wednesday, Jan. 13.

Oliver Barrett Shaw, was a native of Montpelier, Vermont, and at the time of his demise, was aged 81 years and five months.

About two years ago, Mr. Shaw was stricken with paralysis and has been an invalid ever since, suffering a second stroke some time later. Everything possible that loving care and medical skill could do was done for the beloved pioneer until his once rugged constitution could no longer stand the strain and his noble soul took its flight to that better and brighter world where sorrows are no more.

Deceased was a man of very exemplary habits, a sincere Christian and always honorable, upright and generous in his dealings with his fellow men.

He came to California fifty years ago and forty-six years ago purchased the farm where he has resided ever since. With his own hands he planted every one of the fine ornamental and fruit trees on the place.

A widow and three grown children are left to mourn the loss of a noble, good husband and father. The children are Dr. Herbert Shaw of Vancouver, who was unable to reach home at this time, Harry B. Shaw and Miss Annie Pemberton.

The funeral took place this afternoon from his late residence and was largely attended by sorrowing friends and relatives. Interment was in Mountain Cemetery in this city.

Mrs. C. E. Martens Dead

Mrs. Catherine Elizabeth Martens, a well-known and highly esteemed pioneer lady of Sonoma Valley, passed to her heavenly reward at her home in Glen Ellen last Monday morning. Acute bronchitis was the cause of death.

Deceased was a native of Germany and nearly 65 years of age.

Mrs. Martens was a lady of Christian character and refinement and successfully reared a family of seven children who are: Mrs. Chas. J. Poppe, Mrs. G. H. Hoag and Julius Martens, of Glen Ellen, Mrs. Speaker of Santa Rosa and Aug. Martens of Black Diamond. Two of the children passed away a few years ago.

Deceased came to this valley 42 years ago and located in Sonoma where they resided on Broadway for 24 years. The family afterwards removed to Glen Ellen where they have since made their home. The funeral took place from the Congregational Church, of which she was a charter member, last Wednesday, the Rev. Jacob Spoolman officiating. Interment was in Mountain Cemetery of this city.

We extend to the family our heartfelt sympathy in their grief at the separation from one who has passed life's borderland to her place in the fair realms of the soul.

Let it comfort them to know that to the aged, "Death is but a peaceful and dreamless sleep, a passing into a nobler and better life."

She is not dead, she has but gone before, To holier life. For this one life is o'er, And there awaits upon the shining shore This is not death, but sleep and dreamless sleep.

And she will waken never more to weep And faith's consoling voice is strong and deep. Look up, fair soul, and through the mist of tears There is the light and darkness disappears, For that bright light still guides us through the years. It is God's hand that over the silent tide Of life's dark sea will still with us abide, And lead us safely to our loved one's side.

Aged Pioneer Hurt

James Ruffaer, the well-known pioneer merchant of this city accidentally fell at his home on First St. East last Tuesday and severely wrenched the muscles of his back. Owing to his advanced age, he will be 90 years old next May, the injury will lay the old gentleman up for several days. He is now resting as easily as could be expected.

Are Making Bread

Mr. and Mrs. Andrew Castex of the Pioneer French Bakery on Napa Street, announce that they have resumed making fine bread and the delivery wagon will make its usual runs. Repairs to their bakery, which was damaged by the recent fire, have been nearly completed.

The Grand Jury of this county has filled five indictments against E. S. Rowland former cashier of the defunct Healdsburg Bank charging him with embezzlement. Rowland was immediately arrested and taken before Justice Raymond who allowed him his freedom upon furnishing \$15,000 bail with A. W. Garrett, John McDonough and Wm. Rowland as sureties. The accused states that he will fight the charges and has employed Thos. J. Geary as counsel to defend him. It has been stated that enough evidence was secured by the expert to justify forty indictments against the erring cashier.

Sonoma Wins Again.

Last Friday evening the boys basket ball team of the Sonoma High School journeyed to Cloverdale where they played a game with the boys of the High in that city. The Cloverdale team showed mark improvement in their work but still were no match for our boys who defeated them after a lively game, by a score of 26 to 17.

JUST LOOK at the Oliver Line before you buy--that's all.

The No. 7-V-F steel beam plow is one of the most popular orchard and vineyard plows on the coast. Has many special adjustments which provide for plowing close up to the trees and vines without damaging them.

We haven't any objection though to your looking around all you choose--the OLIVER sells better by comparison than it does in any other way.

It is a plow that competition does not hurt, for when you line it up with the others it sells on its plain superiority. This season there are new designs, new features and a brand new plow for orchard and vineyard work that is a wonder.

All we ask of any man who wants a plow of any kind is that he come and see us before he buys. That isn't much--better do it now.

The Rain Fall

Sonoma Valley has received its full share of rain of late, and as a consequence yesterday Sonoma creek was within three feet of overflowing its banks and the lower part of the valley was considerably under water in many sections. Embarcadero is for from being a dry town and it was impossible to reach the hotel there without rubber boots. The water always recedes however in a few hours after the raining ceases. No damage is reported from the floods.

The rainfall for this season as reported by Robert Hall up to yesterday noon is as follows: For the storm 6.30 inches; for the season 12.95 inches; same time last year, 8.54 inches. Thus it will be seen that we have had nearly 5 inches more rain so far than we had last year for the same period.

Automobile Accident

Last Tuesday evening at about 6 o'clock there was a collision on Napa street, opposite the residence of Aug. Clerici, between the Geo. H. Fetter's touring car and the delivery wagon of Boyes Hot Springs Mineral Water Co. In wagon at the time were John W. Kelly of the bottling works and Jos. McKinley. Both were thrown heavily to the ground by the force of the impact and were severely bruised, the latter getting the worse shaking up. The horse broke away from the rig and started at a great rate of speed down Napa street and through the plaza. The wagon was damaged slightly. The horse was subsequently recovered. Both gentlemen were real estate owners to a noticeable extent after the fall.

THE FIRST LETTER

A Woman Writes.

"THE FIRST LETTER that a sick woman should write or have some one write for her is to Dr. Pierce, of Buffalo, N. Y., asking him if 'Favorite Prescription' is suitable for her case, and he will frankly tell her so if he thinks it is. He may have to ask some questions before he can be sure just what the trouble is. If you are suffering from atonic disease, the symptoms of which are headache, backache, sideache, pain in various parts of the body, especially in the pelvic region, bearing-down, inflammation, ulceration, then Dr. Pierce will advise you to use his 'FAVORITE PRESCRIPTION' for he has had a wonderful experience in the use of this remedy. It is not a patent medicine but it is a VERITABLE PRESCRIPTION that became his 'favorite' when he was engaged in private practice forty years ago and found that it cured more than ninety-eight out of every hundred of all such cases that came under his care. The doctor found scores and hundreds of women who were being improperly treated because their troubles were not understood, and he determined to place this remedy that he had used so successfully with the reach of the multitudes who were in such sore need of it. He made it efficient, agreeable to taste,

and, best of all, safe for any woman, old or young, to use. It is neither a stimulant nor a narcotic, just a vegetable tonic and invigorating medicine, composed of native roots of remarkable medicinal virtue in the treatment of this class of diseases, and its record of MORE THAN HALF A MILLION OF CURES entitles it to full confidence.

The one medicine for the cure of woman's peculiar weaknesses and ailments, the ingredients of which are printed and placed upon every bottle leaving the great Laboratory in Buffalo, N. Y., where it is made, is called Dr. Pierce's Favorite Prescription.

It Stands Alone not only in respect to its ingredients and after a working formula that has thousands of cures to its credit, placing its merits above criticism.

It Stands Alone as the one medicine for women, the makers of which take their patients fully into their confidence and tell them exactly what they are taking. This Dr. Pierce's 'Favorite Prescription' is made of such ingredients and after a working formula that has thousands of cures to its credit, placing its merits above criticism.

I suffered with ovarian trouble for many months until I became quite discouraged, as there was scarcely a day when I was not in pain and my health was simply a wreck. I read one of your advertisements and decided that I would try Dr. Pierce's Favorite Prescription, as it seemed to have helped so many who were suffering as I did. I found relief after using two bottles, and a cure in three months from what I considered a incurable. I am now very grateful, and so pleased with my recovery. I shall always give the credit where it belongs—to Dr. Pierce's 'Favorite Prescription'.

Send 31 one-cent stamps to cover cost of mailing and get a copy of the 'Common Sense Medical Adviser,' over 1000 pages. Address Dr. R. V. Pierce, Buffalo, N. Y.

These ORIGINAL Little Liver Pills, first put up by old Dr. R. V. Pierce over 40 years ago, have been much imitated but never equalled. They are made of purely vegetable, concentrated and refined medicinal principles, extracted from native American roots and plants. They speedily relieve acute, torpid and deranged stomachs, livers and bowels and their attendant distressful ailments. One or two a laxative, three or four a cathartic.

Senator George Walker of Santa Clara wants the fat revenue for hunting licenses divided with the counties so the money can be locally applied to fish and game protection. A considerable block of stock has been given by M. H. DeYoung to his son, Charles DeYoung. Always have Kennedy's Laxative Cough Syrup handy, especially for the children. It tastes nearly as good as maple sugar. It cures the cold by gently moving the bowels through its laxative principle, and at the same time it is soothing for the throat irritation, thereby stopping the cough. Sold by all druggists.

Lame Shoulder

This is a common form of muscular rheumatism. No internal treatment is needed. Apply Chamberlain's Liniment freely twice a day and a quick cure is certain. This liniment has proven especially valuable for muscular and chronic rheumatism, and is sure to give quick relief. Chamberlain's Liniment is also most excellent for sprains and bruises. Price 25 cents; large size 50 cents. For sale by L. S. Simmons.

The Pure Food Law

Secretary Wilson says: "One of the objects of the law is to inform the consumer of the presence of certain harmful drugs in medicines." The law requires that the amount of chloroform, opium, morphine, and other habit forming drugs be stated on the label of each bottle. The manufacturers of Chamberlain's Cough Remedy have always claimed that their remedy did not contain any of these drugs, and the truth of this claim is now fully proven, as no mention of them is made on the label. This remedy is not only one of the safest, but one of the best in use for coughs, and colds. Its value has been proven beyond question during the many years it has been in general use. For sale by L. S. Simmons.

Senator J. B. Sanford, of Mendocino, will speak to re-establish the coyote scalp bill, which caused such a scandal some years ago. As soon as a bill can be drawn he will introduce it. The Supervisors of Mendocino county are paying \$4 each for scalps of the coyote and it is declared that in a number of countries the pests are destroying young deer, chickens and stock.

Stomach Trouble Cured

If you have any trouble with your stomach you should take Chamberlain's Stomach and Liver Tablets. Mr. J. P. Klote of Edina, Mo., says: "I have used a great many different medicines for stomach trouble, and find Chamberlain's Stomach and Liver Tablets more beneficial than any other I ever used." For sale by L. S. Simmons.

Save This Anyway

Here is a simple home-made mixture as given by an eminent authority on Kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side frequent desire to urinate, especially at night; painful and discolored urination, are readily overcome. Here is the recipe. Try it. Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.

A well-known druggist here in town is authority that these ingredients are all harmless and easily mixed at home by shaking well in bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure the Rheumatism by forcing the Kidneys to filter and strain from the blood and system all uric acid and foul, decomposed waste matter, which cause these afflictions. Try it if you aren't well. Save the prescription.

A WAR TRAGEDY.

Pathetic Incident at the Siege of Port Hudson.

At the siege at Port Hudson, La., there was one gun commanded by Alphonso Dubreuil. He was a young sugar planter who, had opposed secession, but maintained that if Louisiana seceded he would go with his state. Dr. Chatrand, his neighbor, was a violent secessionist, and Dubreuil and the doctor's daughter Amelia were lovers. Louisiana seceded. Alphonso raised a company and proved so brave a Confederate that the doctor, who had opposed his daughter's marriage, readily consented, and the pair were married.

His bride was accorded special permission to go into the bomb proofs of the fort, where in comparative safety she could be near her husband. There she saw him operating his enormous gun, but her heart was torn with fear for his safety. Suddenly she became excited by the noise of firing and rushing out from her place of safety, was struck by a piece of shell and fell back lifeless. Dubreuil ran to her side, saw death in her face and went back bravely to his gun.

The next morning was beautiful, and the sun shone gloriously. There was cessation of hostilities that the dead might be buried. Thus engaged, a request came from the enemy to allow the body of a young lady to pass through our lines. It was granted. The little cortege came, preceded by a military band playing a mournful dirge, and halted at the outpost. The old musket box used as a bier was accompanied by two ladies and several officers. One of the latter, a handsome young fellow with long hair, walked calmly and slowly, but his face betrayed the greatest grief. A detail of Confederate privates acted as pallbearers. Our men uncovered their heads. All were blindfolded and led through our lines to the steamboat. They bade a last adieu to the dead bride and returned blindfolded.

It was the saddest sight I ever saw.—G. N. Saussy in Spare Moments.

ASLEEP UNDER WATER.

One of the Funny Incidents Possible in a Diver's Life.

As showing how much at home a man may be today under water I may relate an amusing story. Some months ago while a great battleship was at Malta one of the seamen divers went down to clear her propeller from some debris that had become entangled, and he failed to come up. It chanced that the rest of the battleship's divers were ashore, and grave concern was felt on the ironclad for the missing worker. Signals by telephone and life line were sent below without avail. In the launch above the throbbing of the air pump's cylinders went on, but the attendants looked at one another in dismay, fearing some strange tragedy deep down in those heaving green seas.

The worst was feared when some big brushes and other tools came floating to the surface, and thereupon the navigating lieutenant sent ashore an urgent message for one of the other divers. The man came on board, dressed immediately and went below, only to come up full of indignation. "Why, that fellow's been asleep all this time!" he said wrathfully. It was true. The man had just had his lunch, and, finding the work much less serious than he had thought, he finished it in a few minutes and then sat comfortably on one of the giant blades of the battleship propeller and went to sleep with inquisitive fishes swarming around him, attracted by the dazzling searchlight on his breast. The officers were so amused at the occurrence that no punishment was inflicted on the lazy one.—St. Nicholas.

The Kind of Day He Was.

That Marshall Field of Chicago knew how to wrest victory from defeat and make stepping stones of stumbling blocks is shown by the following story told of him by a friend:

When a boy young Field went to a great merchant and asked, "Do you want a boy?" "Nobody wants a boy," replied the merchant. "Do you need a boy?" the boy persisted, not at all abashed. "Nobody needs a boy," was the reply. But he would not give up. "Well, say, mister, do you have to have a boy?" "I think likely we do," replied the merchant, "and I rather think we will have to have a boy just like you."

Then He Stole.

Prudent Swain—if I were to steal a kiss, would it scare you so that you would scream? Timid Maiden—I couldn't. Fright always makes me dumb.

I have never known a man of real ability to be ungrateful.—Gosche.

An Explanation.

"How long has this restaurant been open?" asked the would be diner. "Two years," said the proprietor. "I am sorry I did not know it," said the guest. "I should be better off if I had come here then."

"Yes?" smiled the proprietor, very much pleased. "How is that?" "I should probably have been served by this time if I had," said the guest, and the entente cordiale vanished.—Harper's Weekly.

Cause and Effect.

Old Hunks—When I came to this town sixteen years ago, real estate in the block where I live was higher than it is now.

Old Hewlins—It would be so in any block where you'd settle down.—Chicago Tribune.
